

Schaefer Meets Cochran Tonight for Title

Chicago, May 15.—(By the A. P.)—A battle of "boy wonders," who once were the closest of friends but now are scarcely on speaking terms, will begin tomorrow night when "Young Jake" Schaefer and Welker Cochran meet in the first 100 points bout of their three night 1,000 point match for the world's 182 lb. half line billiard championship.

The contest will be played in Orchestra Hall where Schaefer the title holder, recently defeated Willie Hoppe in a 1,500 point match after winning the title from the one of the greatest of cue experts in the national tournament last fall.

The peculiar chain of circumstances which brought Schaefer and Cochran together as youngsters and then separated them as enemies lends assurance that the said old phrase "hard fought" would not be misused were it applied in predictions concerning the three nights' play.

Cochran and Schaefer, the youngest nationally known stars in the game, are 25 and 26 and Schaefer a few months older. Each has played since a young age, Schaefer being from his father, the late Jake Schaefer, who once was the world's best.

The two became great drawing cards in exhibition matches because of their combination of youth and ability. They toured the country and then formed a partnership through which it was said, each was to receive 50 per cent of the profits from matches in which either participated. Everything went along nicely, the two running about even in games won from each other, until Cochran claimed he had not received the proper percentage of one match. A lawsuit resulted and the two boy wonders travelled separate paths.

CORDELL PICKS VARSITY BOAT FOR SATURDAY
Derby, Conn., May 15.—Coach Jim Cordery today picked Yale's varsity crew for the triangular regatta with Cornell and Princeton here next Saturday. The so-called "Blue crew" was selected with the exception of two seats in which changes were made, the varsity boat was announced as follows:

Whitney, bow; Carman, 2; Russell, 3; Rockefeller, 4; Ellis, 5; Goodwin, 6; Haldeman, 7; Freeman, stroke; Chase, coxswain.

Four of the oarsmen in this boat were on the varsity crew which defeated Harvard at New London last week. They are Freeman, Haldeman, Russell and Carman. Whitney and Goodwin were in the junior varsity shell last spring and Rockefeller was on the freshman crew. Ellis did not row last season but was a member of the varsity eight two years ago.

The Yale junior class crew today won the race to decide which class crew will oppose the best Harvard class crew in a preliminary race here Saturday. The Yale junior class crew defeated the sophomore crew by a length and a half after a member of the sophomore crew caught a crab.

SPORT WORLD BRIEFS

Yale was defeated by Harvard in the 25th annual dual meet in track at Soldiers' field Saturday by a score of six points, the score being 10-15 to 4-15.

Fighting before a poor house of about 500 fans, Kid Kaplan secured the decision over Johnnie Lisee in their 12 round go at Meriden Saturday night. Lisee put up a game battle throughout but was outclassed by Kaplan who easily won on points. He had Lisee at his mercy during most of the fight, which however, was fast and interesting.

Four women's world records were broken and a record for a new event on the feminine athletic calendar was established Saturday by girls competing at Oakesmere school in the preliminary contests held to select American representatives for the First International Women's Field and Track meet in Paris next August.

Jimmy O'Rourke, son of the famous Jim O'Rourke, is paying his way to fame on the diamond. Jimmy is with the Syracuse International. Reports from the town say that he is coming along in the fashion. Jimmy is hitting the ball at a .323 clip and to date has made but two errors. He has played both second base and shortstop.

Boston College Saturday again won the Eastern Intercollegiate Athletic Association's annual championships on track and field. In a meeting marked by eight new records, and two performances that equalled the best previously made, the collegians wearing the Golden Eagle scored 43 1-3 points for their third successive victory. New York University was a new comer to these games gained second honors with 27 points. Springfield College, hosts of the occasion, finished third, with 24.

Miss Suzanne Lenglen came back in a sensational manner in the opening round of the International hard court tennis championships at Brussels Saturday. She overpowered her opponent, Miss Vandenberghe of Belgium in the singles 6-0, 6-0.

Louis Firpo South American heavyweight, knocked out Italian Jack Horner, last week in New London, upped in the fifth round of their fight at Ebbets field Saturday.

BIG SUNDAY TRAVEL
ON NEW CONCRETE HIGHWAY
If Sunday's automobile traffic over the concrete highway between New London and Hartford is any criterion, and it is considered as such, then the highway is going to be the most used highway in Connecticut this summer.

Automobiles during a period of three hours Sunday afternoon passed over the highway at an average rate of 6 per minute. Keeping this rate for 10 hours it would mean that 4,000 cars passed during that period.

A man riding along this highway counted 100 Hartford-bound cars on Sunday afternoon-between 1 and 5 p.m. and during the same time counted 100 Hartford-bound.

Considering the fact that the season is barely opened yet, and the highway has not been entirely completed, it is a remarkable number to find on the new highway at this time.

In the town of Salem the last of the concrete has been laid, but automobilists were not allowed to travel on but one side of the highway because of the fresh concrete on the opposite side.

In the north part of the town of Marlboro the contractors have nearly finished laying concrete on one side, and automobilists are allowed to travel on that side of the highway with one side of the highway called for some careful driving if one was to stay on the roadway.

Two weeks hence the concrete will all be laid and hard enough to permit travel, but caution is still advised until all the shoulders are constructed and the fences erected.
